CAMP LET

TRAILER TENTS 2026

www.camp-let.com

A Camp-let is an innovative solution that combines the comfort of a caravan with the freedom of a camping holiday. The Camp-let trailer is a classic, adapted to today's needs for easy transport and a quick set-up. The name Camp-let comes from the Danish words "camp" which is the same as camping in English and "let" which means easy.

Why choose a Camp-let?
A Camp-let offers a perfect solution for those who want the flexibility of travelling without a large caravan. With its Danish design and solid craftsmanship, you get a spacious and comfortable Camp-let that can easily be towed by both electric and smaller cars. Camp-let is also known for its durability and longevity, ensuring years of use and countless experiences. The user-friendly design makes travelling effortless and provides a hassle-free camping experience.

Comfort and easy set-up
The Camp-let is designed to be more comfortable than a traditional tent. With spacious sleeping cabins, living areas and the option to add extras like an annex or kitchen, it offers a homely feeling in nature. It is also easy to pitch, awning and sleeping cabin are erected in one movement. The smart pitching mechanism means you can be ready to enjoy nature in no time. With Camp-let you can experience the comfort of having your own bed, storage space and a cosy place to relax after a day of adventure.

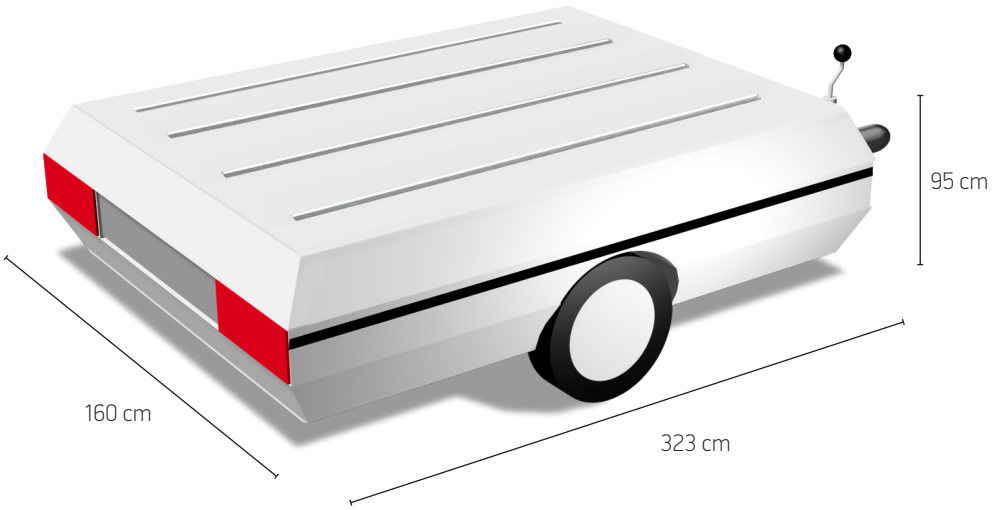

Easy to take with you into nature
The Camp-let is compact and easy to tow, making it easy to take into the great outdoors. Whether you are on a short weekend trip or a longer holiday, the Camp-let gives you the freedom to explore nature without compromising on comfort. Its robust construction makes it suitable for a variety of terrains and its compact size allows you to reach remote locations. Whether you love beach trips, forest excursions or mountain hikes, Camp-let allows you to get closer to nature and enjoy the outdoors with a great base to return home to.

CAMP LET

Benefits of electric car and **Camp-let**

Combining an electric car with a Camp-let is an environmentally friendly solution. The Camp-let's low weight and minimal wind resistance means it has minimal impact on the range of the electric car's battery. This makes it possible to go on longer camping trips without worrying about frequent recharging. At the same time, you contribute to a greener lifestyle by reducing your carbon footprint, making your camping trip gentle on nature.

CAMP-LET **EARTH**

In its standard format, Camp-let Earth offers an 18 m² holiday home with four comfortable beds. If you need more space than 18 m², expansion possibilities are endless. The practical side and front zippers make it easy to add extra modules such as an annex, kitchen sun canopy, awning and front sun canopy. All this is compressed into a compact trailer with a gross vehicle weight of only 500 kg, making it suitable for towing by small cars and electric vehicles.

Special details: Front centre cross provides a ceiling height of 225 cm, modules provide endless expansion possibilities, light panels in the roof, frosted window at the bottom of the sides, dark sleeping cabins with ventilation, front panel that can be rolled aside to make a door in the front.

Supplied as standard with: Dark integrated zippered blinds, storage pockets in front of the sleeping cabin, veranda pole on both sides, luggage compartment under the trailer, mattresses with built-in sofa on one side

Optional extras for attachment: Annex, side tent, front sun canopy. Allround/Deluxe/Basis/Basis Plus-kitchen.

Net weight (without brakes / with brakes): 270 kg / 295 kg

ACCESSORIES FOR CAMP-LET EARTH

1. EARTH SIDE TENT

The Camp-let Earth side tent is ideal for those who want extra covered living space with good standing height on the left side of the Camp-let Earth.
Do you have a kitchen in your Camp-let? Then this side tent comes in handy. It works perfectly as a covered kitchen area so you can prepare meals without worrying about the weather. The side tent can also be used as extra sleeping space, a dining area or extra storage space.

2. EARTH FRONT PANEL FOR SIDE TENT
3. EARTH SIDE PANEL FOR SIDE TENT

Create a cosy and sheltered living space with this front panel and side panel for the Camp-let Earth side tent. Perfect for creating shelter and more privacy.

4. EARTH SUN CANOPY

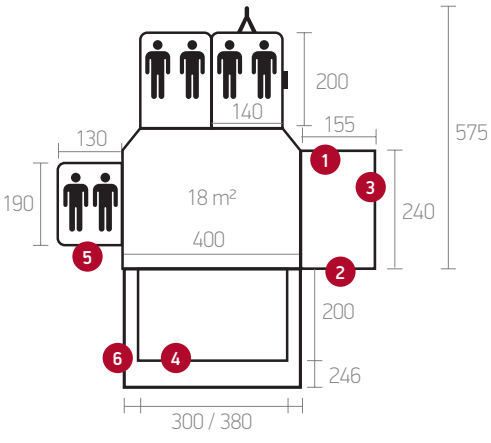

Looking for some extra shade on holiday? With its simple and functional design, this sun canopy gives you an easy way to create a comfortable shaded area to relax in when the sun is at its peak.

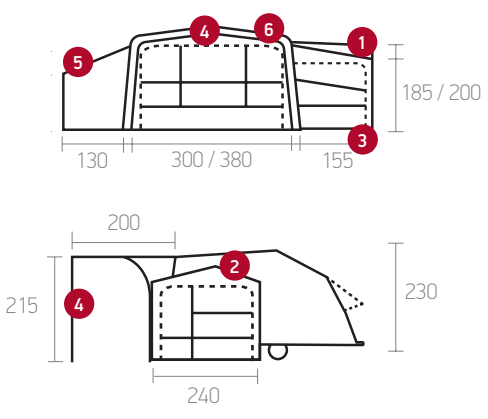

5. EARTH ANNEX

Whether you want extra sleeping space or need a dedicated storage area, this Camp-let Earth annex has everything you need.

6. EARTH AWNING

Designed as a natural extension of the Camp-let Earth trailer tent.

CAMP-LET **NORTH**

Looking for freedom, being able to spontaneously take off in search of new adventures? Camp-let North is the perfect choice when you want to enjoy the countryside in first class. Integrated poles mean you can quickly put the Camp-let North up and take it down with a few basic steps.
Camp-let North has room for the whole family. The spacious lounge area and ventilated sleeping cabins with room for 4 give you no less than 18 m² of holiday accommodation. If you decide to stay a while somewhere, you can quickly extend with a sun canopy and annex.

Special details: Good ventilation, alloy wheels

Supplied as standard with: Pelmet with pockets (grey), storage space (black), 1 veranda pole, sleeping compartments, mattresses, Cube Creme curtains, wardrobe bar, alloy rims.

North optional extras for assembly: Annex Sand, Living Plus Sand Sun Canopy + front, Sunset Sun Canopy, PVC floor for installation with tape. Allround/ Deluxe/Basis/Basis Plus-kitchen.

Net weight (without brakes / with brakes): 270 kg / 295 kg

CAMP-LET **PASSION**

Camp-let Passion is the perfect trailer tent for a family of 4. You get no less than 18 m² of holiday accommodation as standard, with a range of expansion options. If you need more room for sleeping, this model can be extended to accommodate up to 8 people, with an annex on both sides.
If you love to cook on holiday, the Camp-let Passion gives you the option of your own dream kitchen in the open air.

Special details: Fixed canopy, good ventilation, rounded tent design, alloy wheels

Supplied as standard with: Pelmet with pockets (net), closed and open storage spaces with direct access to storage under the trailer. 1 veranda bar, dark sleeping compartments (extra spacious), dark mattresses, integrated curtains, wardrobe rail, alloy wheels.

Passion optional extras for assembly: Passion Annex with integrated curtains and ventilation, Passion Kitchen Sun Canopy, Passion sun canopy + front, Allround/Deluxe/Basis/Basis Plus kitchen.

Net weight (without brakes / with brakes): 270 kg / 295 kg

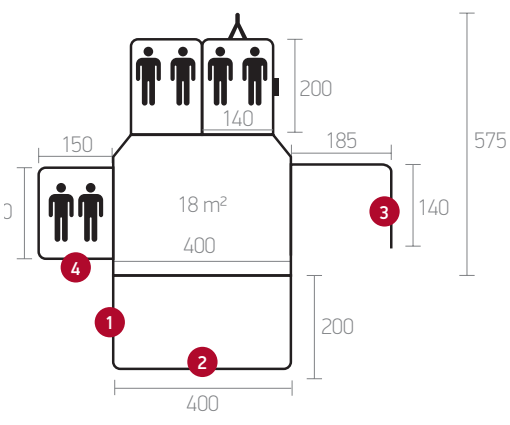

ACCESSORIES FOR CAMP-LET PASSION

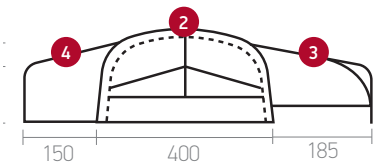

1. PASSION SUN CANOPY
The Passion sun canopy is fastened to the caravan with a zip and provides plenty of shade and extra covered space. The sides with curtains can easily be zipped on for more shelter.

2. FRONT FOR PASSION SUN CANOPY
The front quickly and easily transforms the Passion sun canopy into a fully integrated awning to create a large and comfortable space. The front has zip-up curtains with mosquito nets for good ventilation.

3. PASSION KITCHEN SUN CANOPY
With the passion it is possible to place the kitchen outside of the awning. The Passion kitchen sun canopy gives you the optimal outdoor kitchen solution, with shelter from the rain and shade from the sun. It has a curved front and is fastened to the awning using a zip.

4. PASSION ANNEX
A spacious extra cabin that can be fastened to either side of the awning. The Passion annex is made with a waterproof PVC base and has a window with an integrated curtain for ventilation.

ACCESSORIES FOR YOUR CAMP-LET

1. SUN CANOPY LIVING PLUS SAND II

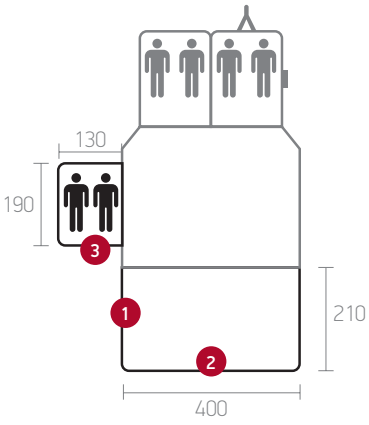

Living Plus Sand is easily fastened to the Camp-let North using the roof zip, and provides a large covered outdoor area with shelter from the wind and shade from the sun. The fixed sides can be zipped up and rolled away to create a more open space.
Fits: Camp-let North, Concorde (1999 -), Savanne, Basic+, Classic, Classic North, Dream, 2GO (2018 -), Apollo Lux (1999 -), Basic, Apollo

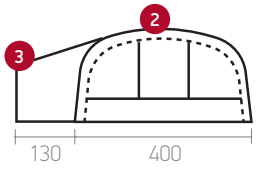

2. FRONT FOR LIVING PLUS SAND II

This front creates a simplified, practical awning for the canopy, giving you a bigger space in the Camp-let. The front also comes with an optional curtain set (Cube Creme or Collage Blue) for both sides of Living Plus Sand and the front.

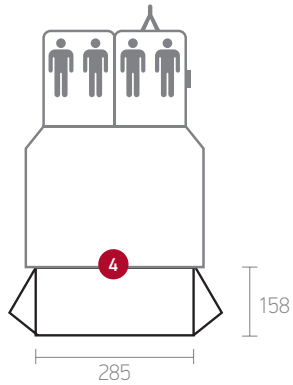

3. ANNEX SAND

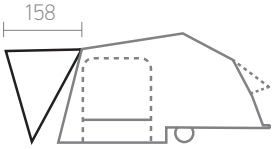

The practical Annex Sand gives you space for extra storage or sleeping areas. Annex Sand has a waterproof PVC base and can be closed off from the rest of the awning.
Fits: Camp-let North, Classic, Classic North, Dream

4. SUNSET SUN CANOPY

When you're travelling with your Camp-let, it's great to have some extra shade and cover. The Sunset sun canopy prevents the sun from heating up the living area while also providing protection from rain, ensuring a comfortable and dry outdoor space at all times.

The sides act as windbreaks and provide extra privacy while still allowing you to enjoy the surroundings or keep an eye on activities at the campsite. The sun canopy is quick to set up—simply zip it onto your Camp-let and secure it with straps for a tight connection.

Fits: Camp-let North, Dream, Classic, Basic and Savanne.

5. TARPAULIN COVER HIGH

This model is ideal if you have a roof rack and extra luggage on top of your Camp-let. The tarpaulin cover is waterproof and protects your Camp-let from rain and dirt during transport. It also keeps chairs, sleeping bags and other equipment dry and clean when stored under the cover.

The tarpaulin cover also covers the tailgate seal and protects against water ingress - especially useful for winter storage. Ensure the Camp-let is slightly tilted, with the jockey wheel either raised or lowered, to allow water to drain away. This way, your Camp-let will remain dry and ready for spring.

6. TARPAULIN COVER LOW

This low model is ideal if you don't have a roof rack. It follows the contours of the lid and fits snugly without adding extra height. The tarpaulin cover is waterproof and protects your Camp-let from rain and dirt during transport.

The tarpaulin cover also covers the tailgate seal and protects against water ingress - especially useful for winter storage. Ensure the Camp-let is slightly tilted, with the jockey wheel either raised or lowered, to allow water to drain away. This way, your Camp-let will remain dry and ready for spring.

7. BICYCLE RACK
Taking your bicycles on holiday is easy - available for 2, 3 or 4 bicycles.

8. ROOF RACK
Take extra baggage on holiday. A roof rack makes it easy to carry extra baggage on top of your Camp-let.

9. ROOF BOX
Creating more space for transporting luggage, using a simple click-on system.

10. CAMP-LET FRONTBOX
– extra storage for your trip

Make room for everything you need for your trip with a spacious front box that provides extra storage space. The box is perfect for storing pegs, cables, gas cylinders, ice box and other essentials you need easy access to. The front box features the same simple, clean lines as the Camp-let, making it a perfect match for your trailer tent. For your peace of mind, the front box can be locked, just like your Camp-let.
